

WEAVING WAY TO SUSTAINABILITY

4th International

Textile Exhibition

18 Aug - 20 Aug, 2022

Expo Center, Karachi

About TeXpo

An ode to the remarkable journey of Pakistani thread which over the years has traveled across borders and empowered countless lives across the globe. It has given dreams to millions, by being a source of labor, shelter and clothing where ever it touched upon. It isn't a mere thread or a fabric but an essence of life which has over the years evolved and has singularly shaped the lifestyle of humanity.

Pakistan is proud of producing the irreplaceable thread which has fueled the textile industries across the world and has set unmatched standards in quality and innovation.

The TEXPO 2022 enlightens the world about the power of thread produced by Pakistan and how it has evolved over the years, touched upon every corner of the world and is capable of meeting the futuristic and inclusive global demands.

Successful Recipient of
GSP plus status by EU

A photograph of a textile factory. In the foreground, several large rolls of light blue fabric are stacked on a metal stand. The background shows industrial machinery, including a large blue machine with rollers and a red overhead structure. The lighting is bright, suggesting an indoor factory setting.
